

Australian Apprenticeship Pathway

STEP 1 Preparation

Create a Resume

Contact Westvic Staffing Solutions about potential career options:

- Which industry would best suit you?
- What is an Australian Apprenticeship and what does it involve?
- What qualifications and job roles are available?
 - Consider doing a preapprenticeship course

STEP 2 Research

Find detailed information about potential Australian Apprenticeship job options and further information by visiting the Australian Apprenticeship Pathway website OR download the AusAppPathways app

For Wages Information:

Visit the Fair Work website OR call 13 13 94 STEP 3 Seeking a Career

Using information that you researched, you may want to:

Visit – Local job vacancy websites – Westvic Staffing Solutions, SEEK Indeed, Warrnambool Standard, etc.

Network – Opportunities within your local community, opportunities through family, friends and acquaintances and cold calling (eg – to Job Service providers

Check out – Local daily newspapers for job ads, www.westvic.org.au and Westvic Staffing Solutions on Facebook

Keep in touch with any organisations that are helping you and let them know if your circumstances change.

> Keep a record of all contacts made while job searching.

STEP 4 Sign Up

Once you have found an employer who is interested in taking you on as an Australian Apprentice, contact Westvic Staffing Solutions.
