

Our Vision

To develop and support business and people to enhance our communities

Our Mission

We do this through Employment, Training and Education

We will do this by:

- ✓ Supporting a safe & healthy culture
- ✓ Servicing all aspects of our communities
- ✓ Providing an inclusive service delivery model
- ✓ Addressing skill shortages
- ✓ Identifying new services
- ✓ Providing lifelong learning
- ✓ Attracting funds to enhance our community's skill base
- ✓ Remaining compliant with regulations
- ✓ Ensuring strong governance

We Value

- ✓ Safety
- ✓ Excellence
- ✓ Innovation
- ✓ Integrity
- ✓ Community

Statement of Purpose

We exist to facilitate and enable job creation and education for the communities in which we work. We achieve this through the facilitation of general employment, apprenticeships, traineeships, training and personal development. We will enable these opportunities through our core values of safety, excellence, innovation, integrity and community.
