What is Apprenticeship Employment Network?

Apprenticeship Employment Network is an arrangement whereby Westvic Staffing Solutions employs Australian Apprentices (Apprentices and Trainees) and hires them to other businesses called host employers, while they are undertaking their training.

It is a unique form of labour contract in which in which Westvic Staffing Solutions (the employer) provides no work directly but does so through leasing the Apprentice / Trainee to one or more host employers.

Westvic Staffing Solutions acts as the primary employer and:

- Carefully selects the Australian Apprentice
- Manages the Training
- Takes responsibility for all administration connected with wages, allowances, superannuation, and workers compensation, personal / annual leave and other employment benefits.
- Rotates the Australian Apprentice from business to business, where necessary to ensure that each Australian Apprentice receives a broad range of training and experience.

Australian Apprentices employed by Westvic Staffing Solutions have the security of continuing employment throughout the training period and support from their Apprentice/Trainee Consultant.

What is an Australian Apprenticeship / Traineeship?

The Australian Apprenticeship scheme encompasses all Apprenticeships and Traineeships. They combine time at work with training and can be full time, part time or school based. Australian Apprenticeships are the best way to combine training and employment and lead to a nationally recognised qualification from certificate 2 level through to a diploma. Training can be in the form of “off the job” at a Registered Training Organisation (RTO) or delivered in the workplace.

What is a Training Agreement?

Australian Apprenticeships / Traineeships operate on the basis of a formal Training Agreement between the employer (Westvic Staffing Solutions) and the Australian Apprentice / Trainee and explain the Apprentices / Trainees obligations to the employer and the employer's obligations to the Apprentice / Trainee.

Training agreements are registered with the Victorian Registrations and Qualifications Authority (VRQA) via an Australian Apprenticeship Support Network.
