

Are you?

Aged 18 - 60

Unemployed

Interested in a career in any of the following:

Automotive

Agriculture

Engineering

What is in it for you?

You will have the opportunity to complete a Certificate II qualification and gain the necessary skills to be work ready.

Gain valuable work experience with various local employers.

Have all transportation provided to and from the training.

What is involved?

Participate in a Certificate II qualification for 3-4 days per week over an 11-15 week period.

This training consists of 3 weeks training and 1 week work rotation where you will be placed with an employer in your interested industry.

Education and Training
